

# PLS 595

pea, english

PLS 595 is a new introduction by Pure Line Seeds that is exciting for the size of the pods and yields at harvest. Plants will produce two long pods, with on average 11 berries in each pod. Fresh market customers are raving about the ease of hand picking due to high set of pods in plant and upright plant type.

## FEATURES

- Disease resistance to Fusarium Wilt Races 1 and tolerance to Powdery Mildew
