

# DANCER

## ENGLISH PEA

### About: *Late-Season Variety*

Dancer is a very promising, highly anticipated, new release from Pure Line Seeds. This variety primarily sets tree-to-four pods per node with 3-3.2 sieve berries. The architecture on this line is beautiful with a pod set concentrated higher up in the canopy. This means better light exposure resulting in a uniform robust color in your final product.

### FEATURES

- Disease tolerance to Powdery Mildew, Downy Mildew and Pea Enation

TRAITS/ DISEASE INFO	DESCRIPTION
Approx. Days to Maturity	73
Approx. Heat Units to Maturity	1580
Node at First Bloom	15-16
