

TIBURON F1

Cucumber, Slicer

About:

Tiburon F1 was developed for the tropical markets, where the extraordinary disease package that this variety has is needed. It produces excellent yields of uniform, dark, straight, firm fruit that hold up to transport well. Its plant is very vigorous plant with outstanding Multi-Virus resistance.

FEATURES

- Uniform, dark green fruit
- Resistance to CMV, ZYMV, PRSV, WMV, PM, TLS
