

SHALLAL F1

Pepper, Korean, Cayenne

About:

A thick walled, 1 x 8 inch, medium hot pepper for green color harvesting. It gives continuous setting which makes it ideal to harvest over a longer period of time. It ends in a high yield. The fruit are slightly tapering and in conjunction with the thick walls, this variety is ideal for pickling as chili rings. The fruit are very firm when picked green and will go softer and juicy when picked red. This is ideal for producing hot sauces.

FEATURES

- Great for pickling
