

# ELEGANCE

## bush bean

marketing@purelineseed.com

1700 West First St.  
Warden, WA 98857

Elegance is a compact, more refined, small sieve bean that fits perfectly in a pot or any small garden space. Elegance has a small, intricate plant architecture while being highly productive. A customer stated: "I have rarely seen a plant put on a heavier load of beans than on Elegance". Tried against Mascotte bush bean, Elegance yielded twice the amount of pods.

### HIGHLIGHTS

- 8-10" Pot
- 54 days to maturity
- High-yielding garden bean

### CULTURAL SHEET
